

Reading list for Kindergarten

This is a suggested list of books / authors to read to your child over the Summer Vacation. I would like you to read at the very least, 4 books from the list. Have your child draw a picture of his/her favorite part of two(2) of the books chosen. (Please feel free to read more) I have provided the sheets that I would like your child to work on and pass in to me in Sept. If you would like to read any other books, please do, there is no limit as this is simply a suggestive list. Books with repetition and rhyme are most favorable at this age..... ENJOY!
